

Toby the Turtle Shows Kindness

A kind heart makes the world brighter!

Toby was a little turtle who lived near a sparkling river. He was not the fastest, but he always tried his best and had a big, kind heart.

One sunny day, Toby was walking slowly by the river when he saw a little bird, Bella, fluttering on the ground. Her wing was hurt, and she could not fly.

"Oh no! What happened?" asked Toby.
"I fell from the tree," said Bella sadly.
"Now I can't fly home."

Toby smiled gently. "Don't worry, Bella. I will help you."

Toby found some soft leaves and made a cozy nest for Bella. He brought her fresh water and tasty berries. Every day, he stayed with her, cheered her up, and told her happy stories.

After a few days, Bella's wing healed. She flapped her wings and flew up high.

"Thank you, Toby!" she chirped. "You are a wonderful friend!"

Toby smiled. "It feels good to help others. Kindness makes the world a brighter place!"
